SUBJECT : Exportation of Olives

TO : SACO COMPARTIMENTO IGR Bari
Direttore Generale IGR Bari

Refer to the above.

A decree has been published by the Ministry of Agriculture forbidding export of olives from one province to another without permit.

Will you therefore please issue an instruction to station masters and all concerned that no bids for rail movement of olives can be accepted unless the permit is produced and a certificate to this effect be made on the bid before forwarding to Bari Head Office.
