SUBJECT : Transportation requirements D.P. & R.S.C.

TO : Transportation Sub-Commission, A.C.

1. Attached is the programme for transportation called for at yesterday's Conference (11 May 1945). This programme covers to 27 May 1945.

2. No allowance has been made for any transportation in respect of War Materials Disposal and Italian Prisoners of War Sub-Commission requirements. The reason for this is that that Sub-Commission could give no firm basis on which to apply for transport.

3. It will be realised that transportation requirements for refugees are changing very rapidly at the present time, and that amendments to the programme now forwarded may have to be asked for. The programme gives the position as it now stands and alterations will only be applied for if circumstances change and so make additions or cancellations necessary.
