PRIORITY OF MOVEMENTS PROGRAMME NO. 65 MONDAY 3 DEC 45

1. Attached is schedule of bids accepted for movement by rail within the Italian Theatre for period 10 - 16 Dec 45, together with the following Appendices:

'A' Schedule of Personnel Movement
'B' Schedule of Ambulance Train Movement
'C' Schedule of Movement of 'A' and 'B' Vehicles and Artillery Equipments

2. (a) The daily allocation of stock (see Mov 3/378/10 dated 31 Jul para 3 (a)) is as follows:

Military Port Clearance	600 wagons daily	
Internal Movement	250 wagons daily	Sub Allocated BARI/East ITALY: Local 200 NAPLES/REGGIO : Local 50
AFHQ POM Programme	1800 wagons daily	
	2650	

(b) Mov NAPLES and Mov BARI are responsible that local internal movement is controlled in accordance with allotment.

(c) Box cars are proportionately in short supply. The availability figures quoted above are, therefore, dependent upon all users accepting high side open wagons except where security and condition of stores carried would suffer thereby.

3. WAGON CLEARANCE. Delay in offloading wagons on arrival at destination is causing concern. Consignees will be warned that the availability of stock to meet this loading programme is dependent upon clearance within twenty four hours of arrival.

4. ROUTING OF TRAFFIC. Traffic for AUSTRIA and GERMANY will be routed via UDINE and BRENNER respectively.

5. EMBARGOES. All bids are accepted subject to current embargoes. 3964

6. BACKLOADING OF 'A' AND 'B' VEHICLES (See Appendix 'C')

(b) Mov NAPLES and Mov BARI are responsible that local internal movement is controlled in accordance with allotment.

(c) Boxcars are, proportionately in short supply. The availability figures quoted above are, therefore, dependent upon all users accepting high side open wagons except where security and condition of stores carried would suffer thereby.

3. WAGON CLEARANCE. Delay in offloading wagons on arrival at destination is causing concern. Consignees will be warned that the availability of stock to meet this loading programme is dependent upon clearance within twenty four hours of arrival.

4. ROUTING OF TRAFFIC. Traffic for AUSTRIA and GERMANY will be routed via UDINE and BRENNER respectively. 3957

5. EMBARGOES. All bids are accepted subject to current embargoes.

6. BACKLOADING OF 'A' AND 'B' VEHICLES (See Appendix 'C')

(a) The number of 'B' Vehicles programmed in Schedule 'C' is to be regarded as a minimum. Additional quantities will be backloaded to destinations other than C.S.ALNUOVO if suitable stock becomes available without prejudice to other programmed loadings.

(b) The DMT3 ITALY is requested to ensure supply of empty flats to cover these commitments.

E.D. BAILEY, Major,
for Brigadier,
DDMG (Mov & Tn).

SUBJECT : Pom Meeting

TO : Transportation Sub-Commission
Mov. Div. (Rail)
HQ AC
APO 394

1. 13 Corps Pom meeting and bidding periods do not coincide with those of AF HQ.

2. For instance 13 Corps Pom meetings are held every 10 days. i. e. On 11 September a Pom meeting was held for 10 days period 23 September 2 October.

3. AFHQ Pom meeting for approximately the same period is held on 17 September for period 24 - 30 September.

4. Regional Transportation Officer Venezia is not able to offer bids to 13 Corps for destinations out of 13 Corps area unless he has received our acceptance from this office.

5. It is not possible for this office always to accept as the destinations may be in or involve movement over AFHQ controlled lines, and, consequently this office must refer to HQ AC.

6. It does not appear possible for HQ AC to authorize a movement, say, previous to 11 September (in time for 13 Corps Pom meeting) as the AFHQ Pom meeting for approximately the same period is not held until 17 September.

C880

7. The only solution would seem to be for this office to accept all bids from RTO Venezia so that he can put his bids into 13 Corps Pom meeting and then to inform HQ AC of these acceptances so that these bids may be taken into con-

-sideration at the next AFHQ Pom meeting.

8. This would apply to all requests for acceptance from RTO Venezia and Transportation Officer AMG 13 Corps.

9. May a ruling be given please ?
