INTER-OFFICE MEMORANDUM

29 January 1945

Tele : 478704

TO : Lt. Col. H.J. Gieff,
Chief, Movements Division

349/15

Attached are details of the 40, Civilian Traffic over Military Lines, accepted for movement during the period 29 Jan - 4 Feb '45.

1. Grain & Wheat

(a) Already considerable reductions have been made on the original figures bid by Food Sub-Commission for the movement of Grain - Wheat from Ancona Area to Rome and Foggia Area to Naples and in the opinion of Major Curran Transportation Officer Food Sub-Commission any further reductions will seriously imperil the stock positions in Rome and Naples.

(b) Wheat & Flour reserve as on 26 Jan '45 - 9090 Tons = 31 days.

2. Lignite

(a) To date the actual movement of Lignite from the Ribolla, Morgnano and Pietrafitta Mines (Fanticale) has fallen short of the programmed tonnage to be moved due to shortage of wagons. It is felt that any further reduction of allocated tonnage which on instructions from AFHQ must be moved, would in all probability create a serious situation.

(b) Lignite reserve as on 26 Jan '45.

(1) Power stations 562 Tons = 1 day

(2) Bakeries/Hospitals 820 Tons (large) = 1 1/2 days
266 Tons (dust)

3. Port Clearance - Civitavecchia

A minimum of 80 - 100 wagons daily will be required for Port Clearance Civitavecchia.
