4 22/4/45 Commerce &
Foreign Trade

There should be no difficulty in conveying (Transportation
1500 tons of sulphured cherries by rail from (sub-Commission
the production centres of Bisceglie and Avellino
to the export ports for loading to U.S.A.

It is noted that the programme will be for
500 tons per month during June, July and
August '45.

Please arrange to have railbids placed with
this Sub-Commission to conform with the agreed
shipping programmes and loading dates.

For the Director.

M.J. SIEFF, Colonel,
Chief, Movements Division.
