SUBJECT : Line 86 - Ancona-Bari.
TO : Movements Division, Rail Section.

✓ 1222/2

1. With the introduction of the daily wine train from Brindisi to the North and a tri-weekly passenger service, the capacity on Line 86 will become very limited for any additional movements for the time being. Therefore, you are asked to bear this in mind when planning any particular movement between south and north as these conditions will continue until such time as it is possible to lift the ~~many~~ ^{speed} restrictions now in existence.
