OGGETTO: Norme relative ai trasporti per via mare. -

In merito al progetto di istruzioni n.8 predisposto da codesta Sottocommissione Trasporti dell'A.C. e riguardanti i trasporti per via mare, questo Alto Commissariato, allo scopo di semplificazione e per meglio far corrispondere alle norme concordate le istruzioni che verranno impartite agli Organi periferici del Comando Alleato, suggerisce le seguenti modifiche:

Punto 2 - In luogo della dizione adottata, si propone la seguente:

"Le istruzioni riguardando tutto il traffico marittimo, ad eccezione del traffico tra la Sardegna e la Sicilia e quello tra la Sardegna e il Continente."

Punto II° - Si suggerisce di escludere dalle istruzioni, in merito alla richiesta per trasporti via mare, tutte le Banche elencate al comma II, in quanto queste non dispongono normalmente di personale pratico di tali servizi.
