1. Refer our letter 51-7/13/FOOD of 30 Aug. giving you the breakdown for 2,000 ton shipment Naples to Genoa and requesting that the ship be put into both Torre Annunziata and Naples to enable barley and milk to be loaded.

2. Instead of barley we intend to load wheat. However, the ship will still have to load at 2 ports-- i.e., Castellammare or Torre and Naples. We will appreciate advanced notice so that we can make sure that the wheat is available before the ship is put in.

3. As a reminder, no ship has yet been nominated to lift the 2500 tons Naples to Genoa bid for period 3-12 September.
