Ref : 51-7/13/FOOD

SUBJECT : Shipment Naples to Genova 13th-22nd September

TO : HQ AC Transportation Sub-Commission
Attn: Capt. Sweet

1. Refer to our letters 51-7/13/FOOD dated 30th August and 51-7/102/FOOD dated 18th September bringing you the breakdown for 2000 tons to be shipped Naples to Genova.

2. We are revising the breakdown by eliminating 1000 tons of wheat which leaves only 1000 tons of powdered milk to be shipped. The powdered milk is to be shipped from Naples.

3. We make the above revision on the assumption that we will be granted a two port discharge (Genova Castellammare) when we request it. If two port discharge is not allowed us when and if requested, we may have to place an emergency bid for shipping to transfer wheat from Castellammare to Genova.
