MEMORANDUM FOR THE MAJOR BODY

Remarks on the last sitreps and measures

-Port of JAFIARI:

Ship IANGANO

+ She stopped waiting for the cargo from 26/4 to 29/4 because the cattle was not ready for loading. High Commissioner for the Sardinia, considering that the same difficulty are renewed in every landing-place, has begged to A. C. that the loading of IANGANO is weekly.

Ship F. VANDER IP

-Work suspended for May Day.

Port of CIVITAVECCHIA:

Ship OMEGA

-In the situation of the 3 May to the letters G and H write tons 362 and 1135.

Port of CROTONE :

Ship TANDRA

-3 May, slow work was caused because the timber was far from the berth.

Port of GALLIPOLE:

Ship A. CONTARINI

-3 May, the wine discharged was 290 tons, not 190

- Port of MESSINA:

Ship SAMRID

- Slow rate of discharge was caused for sewing of small sacks and slowness of carrying away the goods and for the interruptions for the repairing of the capatans.

Port of SYRACUSE:

Ship ANDERFORD

2 May, she has loaded only 190 tons, because the goods ready for the loading, were finished; and for that reason the ship loaded with incomplete cargo.

Port of PALERMO

Ship A. ODIANO

- Slow discharge because the Consorzio Agrario sent too small sacks (Kg. 30 instead of Kg. 80)

Port of BARIETTA/

The Commander of the port say he cannot draw up the complet situation because from the 1^o May the Allied Office Docks Superintendent has stopped to give the news of the ships for Allied Account.

The Colonel of the port

MEMORANDUM PER IL MAJOR GODFREYOsservazioni sui sitrep precedenti e provvedimenti presi

- Porto di CAGLIARI:
P/fo LANGANO
 - E' rimasto in attesa di caricazione dal 26/4 al 29/4, perchè il bestiame non era pronto per l'imbarco. L'Alto Commissariato per la Sardegna, poichè le stesse difficoltà si rinnovano ad ogni approdo della nave, ha chiesto alla Commissione Alleata che le partenze del "LANGANO" da Cagliari avvengano ogni otto giorni.
- P/fo F.VANDERLIP
 - Lavoro sospeso per la festività del 1° Maggio.
- Porto di CIVITAVECCHIA:
P/fo OMEGA
 - Nella situazione del 3 Maggio alle lettere G ed H. segnare rispettivamente Tonn.362 e 1135.
- Porto di CROTONE:
P/fo TANTRA
 - 3 Maggio la limitata resa è stata causata dalla distanza da banchina del legname da caricare.
- Porto di GALLIPOLI:
P/fo A.CONTARINI
 - Il giorno 3 il quantitativo di vino caricato è di Tonn.290 anzichè 190.
- Porto di MESSINA:
P/fo SAMNID
 - La scarsa resa della discarica dovuta ad invio di sacchi piccoli non atti per imbragaggio a lentezza nel ritiro della merce, nonchè ad interruzione per riparazione ai verricelli.
- Porto di SIRACUSA:
P/fo ALRESTFORD
 - Il giorno 2 Maggio ha caricato soltanto 100 Tonn. per esaurimento della merce pronta per l'imbarco; per lo stesso motivo la nave è partita a carico incompleto.
- Porto di PALERMO:
P/fo A.ODLAND
 - Discarica normalmente lenta avendo il Consorzio Agrario fornito sacchi di piccola capacità (Kg.30) anzichè quelli da Kg.80.
- Porto di BARILETTA
 - Il Comandante del Porto riferisce di non poter compilare la situazione completa perchè dal 1° corr. l'Ufficio Alleato Docks Superintendent ha cessato di fornire le notizie relative al naviglio navigante per conto degli Alleati.
