Rome 20 Sept. 45

TO : Transportation SC

1. The Brazilian Embassy of Rome has requested the Italian Government for 1000 tons of marble of Carrara to be used as ballast of the S/S "Don Pedro II" which will shortly arrive in Italy. The transportation of marble from Carrara to Leghorn where it will be loaded will take place with the motor means of the Società Montecatini owner of the marble.

2. In regards ^{to} above we beg the A.C. to give us assurance it will be actually possible to use the Port of Leghorn for the loading of the marble, keeping present that the piling of it on the pier will take 20 days. We further-more beg you to inform us if ~~whether~~ the "Don Pedro II" does not have the proper means to do the loading if it could be possible to utilize the means of the local Allied Commission.

We will appreciate an answer
