Subjet: Request for a motor_sail boat for conveyance of
Rocksalt from Sicily.

The undersigned Firm, MOSSO Bros & C. (Mosso fratelli & C.) running a Factory for Electro - Chemistry, in Turin, 4 Via Monza, begs kindly to request from the Non Allied Commission, the authorisation to obtain a Sea - conveyance of 100/200 Tons of Rocksalt from Sicily to Genoa or to Savona.

Such rocksalt is to be used exclusively in its electro - chemical plant, for the production of hypochlorite of sodium which is let to Cotton - mills, Dyeing factories, Laundries, Hospitals, ect. and it besides processed into laundry - water for civilian uses.

This latter is a very important item because the people of this town have been since long, absolutely without detergent products.

Please notice that this Firm, in pre-war times used to import from Sicily, 350/400 Tons. of Rocksalt, yearly.

Thanking in advance,
Yours, respectfully.

MOSSO FRATELLI & C.

P.S. - The firms SAFID and MOSSO Bros petitioners for transportation means for Rocksalt from Sicily beg to state that it would also be convenient for them to use jointly a single boat, should such agreement ease the decision of your Commission.
