SUBJECT : Arrival of 4000 tons of copper per SS "Ribera".

TO : Istituto Commercio Estero
Via Torino - Roma.

1. In view of the lack of information concerning the recent arrival in Italy of 4000 tons of copper shipped in SS "Ribera" from Belga, it is requested that Government Departments should advise you of any similar shipments which may have been arranged.

2. It is understood this shipment was arranged through Government channels, and if any other cargoes are likely to arrive it will be necessary for yourselves and this HQ to know.

3. This HQ was not aware of this shipment and, having no documents, a delay was occasioned by lack of knowledge of correct consignee, which has since been established.
