1. There is at the present considerable divergence in the manner in which the above reports are submitted.
2. To correct this in future, reports will only be submitted to reach this office by the 3rd of the month.
3. Weekly reports are not required.
4. To ensure uniformity two examples of the form to be adopted are attached.
5. In future all reports will adhere to the samples as to size, lay out and information to be given.
6. Details of all work must be given.
7. All numbers will be A.C. followed by the number of the line and a serial number starting at 1001, e.g. A.C. 50 . 1001.
8. Please ensure that all reports follow these lines in future.
