La sottoscritta Impresa Demetrio P. I. A. T. &

Miglio Ing. Carlo Alberto che ha assunto i lavori di pubblica utilità d'importanza nazionale nel Compartimento Territoriale di Firenze delle linee Empoli - Chiusi tratto Sinalunga Isverde d'Arbia per un'importo circa di L. 65.000.000= (sessantacinque milioni) ed il ripristino della viabilità delle SS. 73 Siena Arezzo, ha urgente bisogno di una macchina P. I. A. T. 1100 necessaria ai suoi dirigenti per recarsi e sorvegliare e condurre i lavori.

Per queste ragioni la suddetta Impresa chiede a codesta Società che le sia assegnata al più presto un macchina P. I. A. T. 1100.
