Ref. AC/Mat/5/97/Tn 4 of 2nd May 1945 to H.C.O. and handed to us for action.-

In reply we would state that for technical reasons in connection with the control on factories, the Consorzio is not in a position to allocate raw material to factories for the production of goods other than those ordered by the C.N.C. on instructions received by A.F.L.R.S.-

It is therefore requested that the demand be renewed with particulars of quantities and the sizes of the ropes required.-
