SUBJECT: Coloured rags.

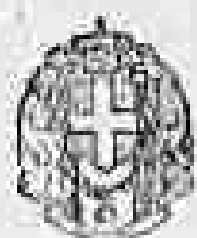

TO : Tr. Sub-Commission AC.,

Bldg.

1. Ref. is your letter AC.Mat.58/23.Tr.4 of the 31 July 1945.
2. After checking the lot of Kg.1000 of coloured rags, we found out that most of them are scraps of various Military clothes, which cannot be conveniently used even for the big clearing of our machinery.
3. We have also to point out with regret that the price of £.100 per Kg. is not adequate as, washed and discoloured coloured rags are being sold in the open market at £.56 per Kg. And the scraps in question must be still submitted to these operations.
4. Therefore we are sorry to be obliged to decline the offer of above material.

1°) Riferimento AC.Mat.58/23.TN.4 del 31/7 u.s.

2°) Da verifica fatta eseguire sulla partita di Kg.1000 di cenci colorati é risultato che i medesimi in maggioranza sono ritagli di vari indumenti militari che non potrebbero essere convenientemente impiegati nemmeno per le pulizie grossolane dei nostri macchinari.

3°) Dobbiamo poi con rincrescimento fare rilevare che il prezzo di L.100 al Kg. offertoci non é adeguato al materiale di cui trattasi in quanto i cenci colorati, lavati e lisciviati - operazioni indispensabili per le dovute garanzie di igiene ed alle quali dovrebbero sottoporsi i suddetti ritagli - vengono attualmente sul libero mercato pagati a L.58,- al chilogrammo.

4°) Pertanto ci spiace dover declinare l'offerta del materiale suddetto. -
