INTER-OFFICE MEMO

File No. AC/Mat/42/6/Tn 4

SUBJECT : Supplies for B.P.D.

TO : Mech. Engr. Branch Hdg.
Attn: Major Gill

1. Reference letter AC/Mat/42/3/Tn 4 dated 15 September 1945 addressed to Chief of Stores Service I.S.R. copy to you above subject with list attached of materials required by B.P.D.
2. I.S.R. advises that for item No. 1 in September and October 1945 4 wagons loaded with oak-tree boards were delivered at Colliferro and 2 wagons to Campi Flegrei, making a total of 80 cu.meters of timber. For items No. 17 and 18 they advise that due to the small allocation of lubricants by HQ, they were unable to furnish the firm with grease for brakes and lubricating oil.
3. As for items No. 14, 15, 20, 21, 22 and 23 they make the following observations.

No. 14 hemp cloth	(no stocks available)
No. 15 hemp cord	(please send a sample of the cord required, to see if it is available in existing stocks).
No. 20 calcium carbide	The S.D. at Naples P.R. have been instructed to dispatch 250 tons as soon as available.
No. 21 lined oil	Due to the stocks being exhausted, no

addressed to Chief of Stores Service I.S.R. copy to you above subject with list attached of materials required by R.F.D.

2. I.S.R. advises that for item No. 1 in September and October 1945 4 wagons loaded with oak-tree boards were delivered at Colloferro and 2 wagons to Campi Flegrei, making a total of 80 cu. meters of timber. For items No. 17 and 18 they advise that due to the small allocation of lubricants by HQ, they were unable to furnish the firm with grease for brakes and lubricating oil.

3. As for items No. 14, 15, 20, 21, 22 and 23 they make the following observations.

No. 14 hemp cloth (no stocks available)

No. 15 hemp cord (please send a sample of the cord required, to see if it is available in existing stocks).

No. 20 calcium carbide The S.D. at Naples P.R. have been instructed to dispatch 250 tons as soon as available.

No. 21 Lined oil Due to the stocks being exhausted, no further supplies can be made in addition
" 22 Cooked lined oil to the small quantities already sent.
" 23 Turpentine solvent

4. The following additional observations are made:

No. 2 Soft steel sheets. The sheets required by the firm have already been ordered at Soc. Terni on their behalf, upon request from Servizio Materiali e Trazioni I.S.R.

No. 3 Rolled sheet The firm will collect rolled sheet from the stock existing at Anagni, turned over to I.S.R. by the War Ministry, in agreement with Servizio Materiali e Trazioni I.S.R.

No. 4 to 11 incl.
Bolts, nails, rivets etc.

Due to our poor stocks being scarcely supplied by the purchases now in progress, we are unable to allocate these items to the Firm.

No. 13 white metal.

No availability.

No. 16 electrodes.

Large availability on the market, where the firm can make purchase directly.

No. 19 graphite

No availability in our stocks.

5. It is evident from the above that B.P.D. cannot expect much help from I.S.R. to obtain supplies for their plant. For item No. 15 they should furnish I.S.R. with a sample of the cord required.

Our Firm has purchased from Mrs. BROGI & DI CASTELNUOVO - Rome - Via Baccari n.13, Representatives of Firm COMOTTI - Milano - Via Superga n.63, 50 (fifty) c.m. of soft timber (fir and pine) to be collected in Merano area, province of Bolzano and to be shipped by rail to our Colleferro car repair works.

We request your kind action for obtaining:

- a) - a regular release of the timber from A.M.C. Venezia Region, Commerce Div. Padova
- b) - the allocation of two rly cars for the shipping of the timber from one or two stations of the Merano-Bolzano line to the Station of Colleferro.

The firm Bombardier Parodi Solfino have furnished this Sub-Commission with a list of material required monthly for the operation of their Colisferro and Napoli car repair shops.

Their main problem is the supply of timber, mild steel sheets, structural steel-bolts and rivets- wood screws, nails, and painting materials (except pigments).

The present production in repaired and rebuilt cars is practically limited by shortages of the above named items, first of all timber.

Attached is list of materials as reported by B.P.D. showing their requirements as divided between Colisferro and the Napoli repair plant at Naples. The last column shows the amount of material furnished by the I.S.R., which in most cases are practically nil.

Please arrange to furnish these plants with the materials they require advising what amounts of each item you will be able to furnish.

The B.P.D. cannot reach longer disregard high production costs caused by utilization of damaged parts and the making by hand of nails and rivets. It is time that you furnish them with the needed materials for the repair of I.S.R. equipment.

14 June 1945

SUBJECT : Electric Power.

TO : HQ. No. 3 District C.M.F.
Attn. Chief Engineer

1. Referring to letter LRS/215B/145 dated 9 June 45 addressed to you from A.F.L.R.S., cc'd to this Sub-Commission in regard to request for an increase in the supply of power to Bombini-Parodi-Delfino, Collifero engaged in the repair of rail cars.

2. Under date of 9 June, letter LRS/215B/145, A.F.L.R.S. advises this Sub-Commission that "It appears that your bid was not submitted for consideration and consequently an emergency allocation of power for the month of June has been made by this section as per attached copy of letter". The attached copy referred to is the letter mentioned in paragraph one, above, of which you have the original.

3. It is requested that this increase in power be made available at once and that the allocation be made permanent instead of an emergency.

4. Will you please advise the status of our request.
