SUBJECT : Repairs of Box wagons.

Re : Italian State Railways
Building

1. A report has been received that the repairs to wagons, particularly Box wagons, at Venice, is not keeping up with requirements.
2. In view of the perishable and pilferable nature of the commodities requiring movement from the Port could you please have this matter investigated as early as possible and arrange that adequate repair facilities are made available.
3. Will you please report to this office your action.

SUBJECT : Repairs of Box wagons

TO : Rail Division (Tn 4)

1. Confirming conversation Capt. Clinging - Capt. Jeffreys today.
Herewith copy of my 399/156/Tn 3 dated 4 December '45 for action.
2. The Port Liaison Officer Venice states that he has instructed the Federazione Consorzi Agrari to employ a carpenter to do minor repairs to wagons.
The December and January programmes are heavy and he fears that the repairs required to be done to wagons in order to fulfill these programmes may be more than the one man can handle.
3. Will you please reply direct to the Port Liaison Officer Venice advising him of what assistance can be given, with a copy to this office for information.

SUBJECT : Repair of Box wagons

TO : Rail Division (Tn 4)

1. With reference to Alcom PLO Venice signal PW 9/36 dated 1 Dec. copy to you.
2. Will you please request the ISR to examine the position with regard to the repair of box wagons; it is important that such wagons be maintained in a good state of repair in view of the perishable and pilferable nature of commodities requiring movement from ports.
3. In this case it is requested that you reply direct to P.L.O. Venice, copy to this office.
