INTER-OFFICE MEMO

File N. AC/Mat/42/6/Tn 4

SUBJECT : Supplies for B.F.D.

TO : Mech. Engr. Branch Bldg.
Attn: Major Gill

1. Reference letter AC/Mat/42/3/Tn 4 dated 15 September 1945 addressed to Chief of Stores Service I.S.R. copy to you above subject with list attached of materials required by B.F.D.

2. I.S.R. advises that for item No. 1 in September and October 1945 4 wagons loaded with oak-tree boards were delivered at Colliferro and 2 wagons to Campi Flegrei, making a total of 80 cu. meters of timber. For items No. 17 and 18 they advise that due to the small allocation of lubricants by HQ, they were unable to furnish the firm with grease for brakes and lubricating oil.

3. As for items No. 14, 15, 20, 21, 22 and 23 they make the following observations.

No. 14 hemp cloth (no stocks available)

No. 15 hemp cord (please send a sample of the cord required, to see if it is available in existing stocks).

No. 20 calcium carbide The S.D. at Naples P.F. have been instructed to dispatch 2.5 tons as soon as available.

No. 21 Linseed oil Due to the stocks being exhausted, no further supplies can be made in addition

No. 20 calcium carbide The S.D. at Naples P.R. have been instructed to dispatch 2.5 tons as soon as available.

No. 21 Linsed oil Due to the stocks being exhausted, no further supplies can be made in addition
" 22 Cooked linsed oil to the small quantities already sent.
" 23 Turpentine solvent

4. The following additional observations are made:

No. 2 Soft steel sheets. The sheets required by the Firm have already been ordered at Soc. Terni on their behalf, upon request from Servizio Materiale e Trazione I.S.R.

No. 3 Rolled sheet The firm will collect rolled sheet from the stock existing at Anagni, turned over to I.S.R. by the War Ministry, in agreement with Servizio Materiale e Trazione I.S.R.

Nº. 4 to 11 incl.
Bolts, nails, rivets etc.

Due to our poor stocks being scarcely supplied by the purchases now in progress, we are unable to allocate these items to the Firm.

Nº. 13 White metal.

No availability.

Nº. 16 electrodes.

Large availability on the market, where the firm can make purchase directly.

Nº. 19 Graphite

No availability in our stocks.

5. It is evident from the above that B.P.D. cannot expect much help from I.S.R. to obtain supplies for their plant. For Item Nº. 15 they should furnish I.S.R. with a sample of the cord required.
