SUBJECT: Special Trains for Refugees.

TO : Distribution.

1. The movement of refugees is now so reduced that normally it is no longer practical to bid for special trains for their transport, nor is it possible to hold refugees in Camps until they are insufficient in number to warrant a special train.

2. Arrangements have been made with the Italian State Railways and will take effect from the date of the receipt of this letter, whereby Camp Commandants of AC., UNRRA and Italian controlled Camps are able to apply direct to their local Station Masters for the movement of Refugees in ordinary civilian trains up to 60 persons per day from any one station.

Forty eight hours notice will be given to the Station Masters of personnel to be moved in this manner.

3. In the event of a sudden influx of a large number of refugees to be routed onwards, the Camp Commandant will make his request for a special train in the normal way, giving four days notice.

SUBJECT : Movement of Italian POW's

TO : Movements Rail Tn Sub-Comm.

1. Attached is a copy of a letter addressed to the Military Railway Service from the Italian State Railways regarding the movement of 60000 Italian POW's from Poland and Russia to Italy.

2. MRS and this division are agreeable to make up four sets of equipment of 30 box cars each to handle this movement but feel that the request should come from your division with AFHQ approval.

3. We also believe the figure quoted should be checked as the information furnished may be subject to revision and it is not desired to furnish more equipment than is actually required.

SUBJECT: Repatriation on POW
ex Russia and Poland.

To: DIRECTION M.R.S.Y.

2.- For the purpose could be utilized intercommunicating box cars which were used for movement of troops in 1941-1942.

3.- Could be made four sets of 25-30 vehicles each, which would operate between Italy and Hoff.

4.- Asked about the number of POW to repatriate, the Italian Red Cross has answered that there are approximately 15.000 ex Russia and 40.000 ex Poland.

5.- It will be appreciated to know if your Direction is in favour of a/m request.

6.- If no objection on your part, it will be provided to make up sets as above.

SUBJECT: Irregular travel of refugees.

TO : Movements Division Rail Th.S/C.

1. The Italian State Railways have registered a complaint regarding the irregular movement of Refugees.

2. Individuals and small groups of refugees of various nationalities are boarding regular passenger trains. They are usually in possession of an identification Card issued by the displaced persons and repatriation Sub-Commission.

3. It is suggested that when such travel is authorized by the Displaced Persons and Repatriation Sub-Commission; the document authorizing travel should be in such form that the I.S.R. could have a copy, so records can be kept, to form a basis for claims against the Nationals governments involved.

4. It is also desired to know if any record is kept of "travel cards" issued in the past. If the I.S.R. could obtain such a list it could enable them to collect for service already rendered.

During the Finance Sub Commission's meeting held on 5 November 1945 it has been stated that the ISR have to be refunded for the travels made by re-patriating strangers. In your letter above referred to it is stated that the due charges have to be debited to the respective Government of these passengers. On this subject it is noted that the procedure followed by the Displaced Persons and Repatriation Sub Commission, through the issue of cards, unables the ISR to keep any record and, therefore, to reckon the charges and to know the travellers' nationality.

It is necessary, therefore, for the travels already performed, that the D.P.R.S. submit to this Service the lists of travels they authorized, showing the nationality of each refugee.

Nella riunione tenutasi il 5/11 u.s. dalla Sottocommissione Finanziaria è stato dichiarato che le Ferrovie dello Stato dovevano essere pagate per i viaggi effettuati dagli stranieri rimpatrianti.

Con la lettera citata a riferimento si fa ora presente che l'addebito delle tasse dovute deve essere fatto al Governo rispettivo dei viaggiatori.

Al riguardo si nota che il sistema adottato dalla Displaced Persons and Repatriation Sub-Commission (rilascio di tesserine)non lascia alcuna traccia presso questa Amministrazione e quindi non si è in grado nè di calcolare le tasse dovute,nè di conoscere la nazionalità dei viaggiatori.

Per potere agire nel senso indicato occorre quindi che la D.F.R.S. trasmetta a questo Servizio gli elenchi dei viaggi già autorizzati,con l'indicazione della nazionalità dei singoli profughi.

D.P.R.S. continuerà a fare tenere detti elenchi, oppure consegnerà alla stazione di partenza copia dei documenti di viaggio rilasciati contenenti gli estremi dei viaggi e la nazionalità dei rimpatrianti.

E' evidente che col sistema attuale le Ferrovie dello Stato non avrebbero alcuna possibilità di recupero e pertanto è necessario che la D.P.R.S. si piaccia fornire gli elementi all'uopo indispensabili e come sopra specificato.

Si resta in attesa di questa comunicazione in merito.

Further to the letter C/218/14921/49/IOCA/7161/25 dated November 14th, we forward copy of the report 2378 dated October 27th from I S R Controller Carrozza.

He advises that many persons of all nationalities formerly prisoners in the German concentration camps continue to travel without any ticket and only provided with a card issued by the Concentration Camps at Reggio Emilia and Modena.

It seems that such cards are being released by the Displaced Persons and Repatriation Sub Commission to whom we have reported some cases in order to settle the irregular travels. We are wishful to avoid trouble to the persons in question and in the same time we want to enable our personnel to repress the irregularities and therefore you are asked to agree with the a/m Sub Commission the procedure for such travels.

Please let us know your decision about the matter; besides, it would be appreciated to know the Body to whom we must debit the railway charges.

We forward, for information, copy of this letter and copy of the report to the a/m Sub Commission.

Report n. 2376

I notice that many persons formerly prisoners in Germany and now staying in the Concentration Camps at Reggio Emilia and Modena, continue to travel without any ticket and only provided with a card issued by the Commands of the Camps.

They always refuse to detrain and to pay asserting that they are running without money. It seems that their Consulates don't give them any help.

This evening I found out riding on the train 76 of October 27th the following:

DRZEWIECKI MAREK = DRZEWIECKI ALTER = DRZEWIECKI MOSER SHOI JAKOB = JUNGERV LITER JOSEPH = SCHLEIDER MARKUS

and of them only the late has paid. I met many difficulties in obliging the others to detrain at the station of Orte.

I find such kind of travellers aboard all express trains headed to the most various spots. It is for me very hard to perform my duty because mostly of them don't understand Italian language. Therefore I suggest to call the attention of the a/q Commands in order to obtain that every person who is released by the Camps be provided at least with an identification card. In such a way we will be able to make reports as complete as possible.

A seguito della lettera Nº C.213/14721/49 Icca 7161/28 del 14 andante si trasmette copia del rapporto 2376 del 27/10/45 del Controllore Carrozza di questa Amministrazione col quale viene segnalato che continuano a viaggiare senza biglietto e muniti soltanto di una tesserina del Campo di Concentramento di Reggio Emilia o di Modena internati di tutte le nazionalità già prigionieri nei Campi di Concentramento tedeschi.

Sembra trattarsi di tesserine rilasciate dalla Displaced Persons and Repatriation Sub-Commission, alle quale sono stati segnalati casi particolari del genere per la regolarizzazione di alcuni viaggi.

Occorrendo disciplinare i viaggi in questione si prega codesto Servizio di compiacersi prendere opportuni accordi con la suddetta Sub-Commissione per concordare le relative modalità per l'esseguimento allo scopo di evitare spiacevoli noie ai viaggiatori e d'impartire le necessarie istruzioni 35 al personale di controlleria per reprimere gli abusi.

SEGNALAZIONE.=
Continuano a viaggiare senza biglietto e muniti soltanto di una tesserina del Campo di Concentramento di Reggio Emilia e di Modena-internati di tutte le nazionalità già prigionieri nei Campi di Concentramento tedeschi.Non vogliono scendere mai dai treni e non pagano sostenendo che non hanno denaro e che i rispettivi Consolati non danno loro aiuto di sorta.Questa sera si trovavano in treno: DRZEWILCKI MAREK - DRZEWIECKI ALTER - DRZEWIECKI MOSER - SHOP JAKOB - JUNGERV MIRTH JOSEPH - SCHLEIDER MARKUS.Di essi il solo SCHLEIDER (come da mio rapporto N°2375) ha pagato.Gli altri sono stati fatti scendere con molta difficoltà ad Orte.Questi viaggiatori si trovano su tutti i treni diretti alle più svariate località.La nostra azione diviene doppiamente difficile:prima perchè non è possibile farli scendere per il loro rifiuto e per la difficoltà a farsi comprendere;secondo perchè si tratta di stranieri.Non si potrebbe trovare un sistema inteso a richiamare l'attenzione dei due campi di concentramento per lo meno nel senso di ottenere che coloro che vengono fatti uscire dal campo siano muniti di un documento di identificazione.Avremmo almeno la possibilità di poter segnalare le irregolarità in modo completo e preciso.

SUBJECT : Refugees.

TO : I. S. R. Bldg.

1. The movement of refugees is becoming irregular and on occasions there are not enough refugees to warrant a special train as called for in our programs.

2. Rather than run refugee trains light, it is suggested that these trains fillout with through freight traffic.

3. In any case the matter will be left to your judgment; it is not necessary that scheduled refugee trains be used only for refugees when there are not enough refugees to warrant an exclusive special train.

Travels of foreign refugees,
on behalf of Allied H.Qs

Incl.-1-

The Bari A.C. has requested and obtained the local I.S.R. "Sezione Commerciale" that the foreign refugees, as per attached list, could travel free of charge.

The first movement took place on 22 October and the second one on 31 October 1945.

For both these movements, the warrants were issued in duplicate in order to settle the payment, while, in the past, for similar travels, only the original warrant was issued and, of couse, there is no voucher left to I.S.R. for recovering of charges.

Besides the Bari A.C. requested that the accounts for such travels should be made as for the movement of labourers working on Allies' behalf.

Now, as at the Meeting held on 5 inst. by Finance S.Commission our Representatives were informed that the charges for travels, made by home going Foreigners, are to be paid to I.S.R., we beg you to let us know the Body to which said accounts should be submitted.

The General Director
Di Raimondo

La Commissione Alleata di Bari ha chiesto ed ottenuto da quella Sezione Commerciale l'eseguimento dei viaggi di profughi stranieri risultanti dall'unito elenco senza il pagamento immediato delle tasse.

Il trasporto è avvenuto il 22 ottobre u.s. ed un altro ha avuto luogo il 31 stesso mese.

Per detti viaggi, agli effetti contabili-finanziari, è stato rilasciato un duplo della richiesta, mentre per molti altri trasporti del genere i viaggiatori vennero muniti in passato di un solo documento senza pertanto lasciar traccia ai fini del recupero delle tasse.

La Commissione Alleata di Bari inoltre ha chiesto che la contabilizzazione dei viaggi in oggetto venga eseguita come si pratica per quelli compiuti dagli operai che lavorano per conto Alleati.

Poichè nella riunione tenutasi il 5 corr. dalla Sottocommissione Finanziaria è stato comunicato ai nostri delegati che i viaggi effettuati dagli stranieri rimpatriati devono essere rimborsati a questa Amministrazione, si prega codesta Sottocommissione di compiacersi comunicare a quale ente devono essere presentati i conti di debito per il pagamento.=

SUBJECT:- Rumanian diplomat train, 10 November.

TO :- Major S.E. London, Supt Transportation.

1. Movement Order 10/2751 - 4 baggage cars 5 coaches Rumanian diplomats arrived at Naples Central at 1800 hrs 10 November.

2. Our entire information consisted of your wire on train operation; these people spent the night on the train in the station, no A.C. personnel were on hand and we had no knowledge of their disposition.

3. Learned from the man in charge they were to board the ship Transilvania, but could not ascertain from any source, the estimated arrival time;

About noon Sunday, contacted Captain Simpson at 4/2 who was able to get vehicles to transport them to the displaced persons bureau at Aversa.

5. As this was an A.C. move, believe some of their people should have been on hand to take charge of the persons; it caused much trouble in the Station, as well as the mess of leaving them on the train till noon Sunday.
This for your information.

1. Reference your letter C/213/14721/49 of 13 November.

2. It is assumed that the irregular travelers you mention are refugees and the travel cards referred to issued for the handling of such passengers.

3. The only solution as we see is for an account to be kept and eventually a claim to be made upon the government responsible for the national travelling.

4. The cards mentioned were not attached to your letter as stated.

Irregular travels of Jews

Incl.2

We send you, here attached, a copy of the report 2187 dated 28th Sept.1945 issued by our Controller Carrozza informing that several Jews of different nazionalities every day found travelling on all trains without any regular ticket but having only cards like the attached one, issued by the Allied Expeditionary Force.
Said travellers have no indentity card and refuse to pay the due fares, when requested.
We beg you to let us know the dispositions that might have been eventually issued by your Service for the s/m travels, so that we could be able to issue the dispositions to our train escorting personnel to repress the trespasses.
We beg you also to let us know which Body is to be charged with the fares due to our Administration, sending us the data concerning the travels made through said cards up to now.
A prompt reply will be appreciated, returning to us the attached card, to settle the payment for the travel to Rome of the passenger Lerner Rasia.

Train 75 of 28th Sept. 1945

Report n. 2187

Several Jews of all nationalities are riding all trains every day, without any ticket, only having cards like the attached one. They refuse both to pay or to detrain. They are men and women whose activity is unknown. Also the escorting Police don't know what measures are to be adopted because said travellers are exceptionally stubborn. What is to be done in these instances and which measures are to be taken?

We wish to know it, as we don't know which the position of the Allies, as far as said travellers are concerned, might be, if our personnel should be obliged to call them to intervene and also for these passengers are generally without any identity card.

Your opinion should be appreciated.

As for the travel, subject of this report, we report, for the measure to be taken, that the mentioned traveller refused to detrain and wanted to arrive to Rome.

RAPPC O N.2187 TRENO 75 DEL 28/9/45

SEGNALAZIONE.=

Su tutti i treni e tutti i giorni, si trovano a viaggiare, senza biglietto e unicamente muniti di tessere del tipo di quella che si allega, numerosi ebrei di tutte le nazionalità.= Non vogliono mai pagare e non vogliono scendere. Si tratta di uomini e di donne delle quali non si conosce precisamente l'attività. Anche la P.S. di scorta non sa quali provvedimenti adottare, perchè, fra le altre cose, sono di una testardaggine assolutamente eccezionale. Che cosa si deve fare in questi frangenti e quali provvedimenti ferroviari si debbono adottare? Ciò si chiede anche non si sa quale potrebbe essere la posizione degli alleati nei confronti dei viaggiatori di cui trattasi, nel caso il nostro personale ne dovesse chiedere l'intervento, ed anche perchè, nella totalità dei casi, sono sprovvisti di documenti di identità.=

Si gradirebbe conoscere il pensiero di Codesta Superiore Sede.

Per il viaggio di cui è oggetto per oggi questa segnalazione, riferisco per i provvedimenti del caso, significando che la viaggiatrice di cui trattasi, non volle scendere e volle giungere a ROMA.

Il Contr. Viagg.
