SUBJECT : Privately Owned Railways.

1. Reference is your letter of 9 July 44.
2. All correspondence in respect of Privately Owned Railways is dealt with through the Minister of Communications.
3. I must point out however, that your suggestion that traffic must be increased to ensure your original revenue is entirely out of place, for on such an agreement if only one passenger travelled, he would have to bear the entire cost of running your railway.
3. I have referred your letter to the Minister of Communications, who will deal with the matter and submit a considered statement to me in due course.
