Florence 29th August 1944.

Ref: No. 1/CC/S

SUBJECT: Correspondence authorization

TO : Allied Military Command, Florence.

This compartmental direction, exercising jurisdiction also on the following railway-lines of liberated Italy:

Chiusi - Florence

Grassetto - Leghorn - Pisa

Montepescali - Siena - Empoli

Florence - Pisa - Leghorn

Siena - Chiusi

Campiglia - Piombino

asks the authorization to correspond, through the special postal services of Allied Armed Forces, with the local chief of installations or offices.

First of all it is asked authorization to send to the Chief of the Traction Department of Leghorn and to the Chief of the Movement Department of Siena, the following letters attached hereto.

We would appreciate if this Command will accept, even in the interest of the Allied Armed Forces, the above mentioned request.

MINISTRY OF COMMUNICATIONS
State Railways

Florence - 29th August 1944.

Ref: No. 3/CC/5.

SUBJECT: Report of the condition of the railway after the liberation of the town.

Hoping to be soon able to inspecte the line, I beg you to send me, a report of the condition of the railways, after the liberation of the town.

I want to know also, if something has been done for our employees, for the re-operation of installations and their real condition.

All chiefs of other offices, must send me careful reports, for what concerns their respective competences.

In the report I want to know what salaries have been eventually given to the personnel of railways until 27/8/44.

Deputy Compartmental Chief.
