SUBJECT : Tram & Filibus Agency - Naples.

1. Attached herewith are copies of letters received by this Sub-Commission from the Undersecretary of State for I.S.R. in which permission is asked to abrogate existing Italian laws in order that the Tram & Filibus Agency for the Comune of Naples may employ several ticket agents. This same agency also requests a committee be approved for the benefit board which is sanctioned by Italian law.
2. There are no objections to either request on the part of this Sub-Commission as there are none from the Compartmental Inspector in Naples. However, you may take any action you deem necessary to check on the reliability and honesty of the individuals in question.
3. The above as confirmation of conversation between Major Taylor and Lt. Barone.
4. ~~Please advise this Sub-Commission of any decision or action taken.~~
