1. WD tpt is at present used for the conveyance to and from their work of 200 - 250 civs between CATANIA and BICOCCA.
2. These civs are employed at the airport and it is considered that the provisions of rail tpt would effect a great saving in vehs and ensure maximum working efficiency.
3. Will you please arrange for full rail facilities to be provided in accordance with AAI letter 2059/5/Q2 dated 28 Jul 44.

Ref.: AC/95/6/Dn.4

SUBJECT: Free conveyance of civilian workers.

TO : Capt. Irvine Lynch - Sicily -

1. Reference is to attached copy of application by 3 District for facilities for free conveyance of civilian workers working for Allies between Catania and Biscocce.
2. Please say if the arrangements can be introduced without any increase in existing services - that the conveyance of these workers can be covered by present trains. If not, it will be necessary for you to arrange locally with the unit concerned the train services desired, and provided the accommodation is set aside for the workers concerned, the balance of the train can be used by fare paying passengers.

3. The unit sponsoring the application should issue a permit similar to that shown attached hereto, keep records of the number of passengers involved, and submit a fortnightly statement to ISR of the number for whom permits are issued.

4. It is possible that the scheme may be re-organised in view of the considerable number of abuses which occur where such method of travel is arranged, and you will be advised of any alterations in the arrangements.

5. Please advise this HQ of arrangements made.
