SUBJECT : Illegal possession of Olive Oil by Station Master, Taranto

1. I am sending you copies of letters in this case, and you will see how strongly the Zone Commissioner feels about the matter.
2. The Station Master at Taranto is in a particular position of trust, and should be the first to set an example.
3. Disciplinary action is asked for in this case, and information as to the steps you take will be appreciated.

Allied Commission, Naples.

1. The attached report from the Agricultural Officer is self explanatory. I feel very strongly that action should be taken to have the station master concerned removed.

2. The attitude adopted was that this suitcase was exempt from search as he is the station master.

3. If he is allowed to get away with this the train search becomes a farce.
