SUBJECT: Passenger Coaches for Civilian Passenger Trains

TO: ISR Ufficio Trasporti, Sala Aste, Bldg.

1. As of 0800 hours 12 December 1945 the following 40 coaches were found on hand at Rome Terminal. Some of the coaches previously may have been in military service but those listed herein are no longer required for military usage.

2. Practically all of the coaches are in serviceable condition but need thorough cleaning. They should be immediately conditioned and placed in civilian passenger trains to relieve box cars now being utilized in that service. Please see that prompt action is taken in this direction.
