Sitrep Report Week 17 Feb. 1945.

1. Information received that 2100 Italians are available to be formed into companies.
2. During the week a number of trips were necessary in the search for available facilities to house troops. The Abruzzi Barracks at Civitavecchia was selected and when improved will house in excess of one thousand men.
3. Advice was received from MTOUSA that 38 US officers and 170 US soldiers will be provided soon.
4. Plans were considered for establishing a school for auto mechanics.
5. Cadres for four ITI companies received from P&S, 6 Other cadres to arrive at weekly intervals.
6. Plans laid for 8th Company to move to Florence before Feb. 25th and 7th Company to move to Civitavecchia on or about the 20th of February. Rear detachment of 1st Company will move to Leghorn before the 25th of February.
7. Two plants were inspected with view toward incorporating them in future plans for assembly of vehicles being shipped to Italy.
8. The Ilve steel works in Fiorbino will be available for receiving shipments and is to be further investigated as to assembly possibilities when proper equipment is obtainable.
9. The I.C.N.R. plant, near Lake Bracciano, was checked and has shops, personnel and cranes which can be used to supplement assembly operations if necessary.

30 Jan. 1945

AO/B/73/TN.5

SUBJECT : Sitrep Report.

TO : Admin. Officer Transportation Sub-Comm.

Sitrep Report week 28 Jan. 1945

1. BA 654 discharged at Naples. Manifest indicated 62 cases, vehicles. So far only 54 cases have been located totalling 50 chassis and 58 cabs.

2. BA 681 and 669 discharged at Livorno. Reports from there show 10 trucks in process or assembly.

3. Advance information sent concerning these shipments indicated 62 trucks shipped via 654, 4 via 681 and 6 via 669.

4. This total, 72, is in variance with the 115 indicated in Col. Butterworth's letter.

5. No final statement of trucks available can be reached until all cases have been located and checked.

6. It is not probable that the Feb. 20, 1945 release date requested by Col. Butterworth can be met either as to number (he asked for 120) or time. The assembling of these trucks at Naples has not yet been begun and no more are expected to arrive in time to be assembled by that date.

7. Six civilian type trucks received at Leghorn, bodies being installed. Personnel laid on with MMIA for Companies 7 and 8 to be activated on Jan. 30th. Facilities at Via Sardinia set up to accommodate two Italian Companies.
