AMENDMENT of

MINUTES OF TRANSPORTATION SUB-COMMISSION STAFF MEETING - 7 APRIL 45

Paragraph 8 of the minutes of the Transportation Sub-Commission Staff Meeting of 7 April 1945 is amended to read as follows:

Colonel Sieff said that 90 railway wagons were under load with cased vehicles in Rome. The AC MT Group did not appear to have adequate arrangements for unloading railway wagons at the rate at which they were likely to arrive. It was very important that the Transportation Sub-Commission, and the units closely coordinated with it, should not be guilty of waste of movement capacity. Colonel Thomas asked that this point be raised with the Road Division and the MT Group.

INTER OFFICE MEMO

REF : P1/17

SUBJECT : Third Batch of Vehicles ex "Lynch & Darling".

TO : Captain Peterson,
Transportation S/C,
R o m e.

Attached is a list of the rail car numbers shipped to A.T.A.G. Rome during the period 21 March - 30 March. Combined, you should have received according to the manifest 108 boxes Chassis, 108 Boxes Cabs, and 8 boxes of Bodies.

Tally out sheets from Port Railhead show that 100 boxes of Chassis, 109 of Cabs and 8 boxes of Bodies were shipped. There is a shortage of 8 boxes of Chassis and an overage of 1 boxes of Cabs.

These records were turned in by Port Railhead, (Depot 11157), and I believe that errors, as to numbers shipped, was made, you should have received the manifested amounts.

Finally, a close check should be made at your end and a record of actual numbers received should be sent to this office.
