1.- Under instruction of Economic Section HQ AMG/13 Corps the following directive and procedure for issue of vehicles Circulation Permits has been drawn up. It is requested that Area Commissioners implement the direction in their Area.

2.- We have a certain quantity of POL within which stocks we have to operate. To effect this, very strict screening of Circulation Permits must be carried out and essential vehicles given priority over non essential.

3.- To control the issue of Circulation Permits and POL Ration Cards it has been decided to place all the work in charge of the AUTOMOBILE CLUB in TRIESTE, GORIZIA and POLA under the supervision of Area HQ's AMG/13 Corps.

4.- To this effect the following scheme has been drawn up:

- i.) No application form will be issued unless the applicant is holder of a "Libretto di Circolazione" showing that the vehicle has passed the annual survey by the Ispettorato Motorizzazione.
- ii.) Circulation Permits will only be issued to owners of vehicles and/or ~~cars~~ ^{cars} 77 which are in perfect order.
- iii.) All the applications for Circulation permits will be made on special forms (specimen attached).
- iv.) The forms will be obtainable from the AUTOMOBILE CLUB in TRIESTE, GORIZIA or POLA against payment of Lire 50.-
- v.) All forms must be filled in by the applicants, clearly written, preferably ~~typed~~ ^{handwritten}, to avoid errors and misunderstanding on registration.
- vi.) All forms will be regularly numbered and a receipt, bearing the same number as the form, will be handed over to the applicants as confirmation of its acceptance and payment of the fee of Lire 50.-
- vii.) The AUTOMOBILE CLUB will check the contents of the applications with the "Libretto di Circolazione" and verify that the vehicle has been duly surveyed.

= 2 =

x.) The Screening Commission will be constituted as follows :

A President : The Provincial Supply Officer (or such other Officer as nominated by the Area Commissioner).

One representative of : The Chamber of Commerce,
The Area President,
Ispektorato Motorizzazione,
Director of Centre Autotrasporti,
Each category concerned,
E.P.T.

In screening the applications, the Screening Commission will have to carefully consider the following important points in accordance with the availability of POL :

a.= The number of the Permits to be issued in each category according to priority.

b.= The number of new Permits that may be granted in accordance with the ration of POL for each vehicle.

A note as to whether the application is "approved" or "Disapproved" will be made on the reverse of the application form by the Screening Commission.

A list of the applications "Approved" and of those "Disapproved" will be placed on the Notice Board of the AUTOMOBILE CLUB for information of applicants. The decision of the Screening Commission is final.

xi.) The applications thus passed by and with the recommendation of the Screening Commission will be returned by the Chamber of Commerce to the AUTOMOBILE CLUB for issue of the Circulation Permits.

xii.) The Circulation Permits (attached specimen) will be completed with particulars by the AUTOMOBILE CLUB and will be forwarded for signature to the responsible Officer previously appointed for this purpose by the Area Commissioner.

xiii.) The name and rank of the Officer signing the Permits will have to be typed on underneath the signature. A rubber Stamp of the Area Commissioner will also be applied to the Permits.

The Circulation Permits may be signed by any other Officer other than the Officer appointed by the Area Commissioner.

xiv.) The approved Circulation Permits, duly signed, will be issued by the AUTOMOBILE CLUB against payment of Lire 100.-

A receipt will be issued confirming the acceptance and payment of the fee.

xv.) The AUTOMOBILE CLUB will issue the respective POL Ration Cards (specimen attached) simultaneously with the Circulation Permits.

xvi.) POL Ration Cards will be issued for 3 months.

xvii.) Each Ration Card will be divided in 3 sections, each section consisting of

The Area President,
 Ispettorato Motorizzazione,
 Director of Centro Autotrasporti,

In screening the applications, the Screening Commission will have to carefully consider the following important points in accordance with the availability of POL :

- a. = The number of the permits to be issued in each category according to priority.
- b. = The number of new permits that may be created in accordance with the ration of POL for each vehicle.

A note as to whether the application is "approved" or "Disapproved" will be made on the reverse of the application form by the Screening Commission.

A list of the applications "Approved" and of those "Disapproved" will be placed on the Notice Board of the AUTOMOBILE LUB for information of applicants. The decision of the Screening Commission is final.

xi.) The applications thus passed by and with the recommendation of the Screening Commission will be returned by the Member of Commerce to the AUTOMOBILE LUB for issue of the Circulation Permits.

xii.) The Circulation Permits (attached specimen) will be completed with the signature by the AUTOMOBILE LUB and will be forwarded for signature to the responsible Officer previously appointed for this purpose by the Area Commissioner.

xiii.) The name and rank of the Officer signing the Permits will have to be typed in underneath the signature. A rubber Stamp of the Area Commissioner will also be applied to the Permits.

No Circulation Permits may be signed by any other Officer other than the Officer appointed by the Area Commissioner.

xiv.) The approved Circulation Permits, duly signed, will be issued by the AUTOMOBILE LUB against payment of Lire 100.-

A receipt will be issued confirming the acceptance and payment of the fee.

xv.) The AUTOMOBILE LUB will issue the respective POL Ration Cards (specimen attached) simultaneously with the Circulation Permits.

xvi.) POL Ration Cards will be issued for 3 months.

xvii.) Each Ration Card will be divided in 3 Sections, each Section consisting of coupons for petrol and lubricating oils. Each Section will be valid only for the month for which it is indicated and which is printed on each coupon.

Unused coupons have no retrospective validity.

xviii.) The POL ration per vehicle will be that laid down by the Petroleum Section and will not be exceeded.

xix.) The POL ration allotted to each vehicle is not guaranteed to be supplied in full. This may be curtailed according to the availability of POL stocks by the Section, Commerce Division.

- 3 -

xx.) The Ration Scale for vehicles is fixed as follows :

This permit covers the vehicle only and does not absolve the driver or passenger from responsibility of possessing any necessary permits to travel.

The permit MUST be exhibited in the case of motor vehicles on the lower right hand corner of the windscreen as seen from driver's seat. In the case of all other vehicles not having a windscreen the permit will be carried by the driver and produced on lawful demand.

The name and address of the holder, on this permit will be that of the individual or concern for whose benefit the vehicle is being used e. g. even in the case of an owner driven private car hired by a doctor the name and address of the holder will be those of the doctor NOT those of the driver of the car. In that and similar cases the driver must carry a certificate signed by the holder of the permit that he is driving under the holder's orders.

In case of transfer of ownership or if the vehicle ceases to be permanently usable, the permit shall be considered null & void and the owner shall return it at once to office of issue.

This permit is issued only on condition that these instructions are fully complied with and must be returned to issuing Office on date of expiry.

Questo permesso riguarda solamente la vettura e pertanto non esime l'autista ed i passeggeri dall'obbligo di possedere i necessari permessi di viaggio.

Gli autoveicoli DEBBONO esporre il permesso all'angolo inferiore destro del parabrezza visto dal posto dell'autista. I conducenti di tutti gli altri veicoli, privi di parabrezza, debbono portare con sé al seguito il permesso ed esibirlo ad ogni richiesta fatta da persone autorizzate.

Il nome e l'indirizzo del titolare del permesso saranno quelli della persona o ente per i quali il veicolo viene usato, così nel caso di un proprietario di un veicolo privato, noleggiato da un medico, il nome e l'indirizzo del titolare del permesso saranno quelli del medico e NON quelli dell'Autista privato. In casi del genere e simili l'autista deve essere in possesso di un certificato firmato, dal titolare del permesso, dal quale risulti che egli conduce il veicolo agli ordini del titolare del permesso.

In caso di trasferimento di proprietà, di demolizione o di inutilizzazione dell'autoveicolo, il permesso è considerato nullo e il titolare dovrà restituirlo immediatamente.

Questo permesso viene rilasciato a condizione che queste istruzioni siano strettamente osservate e deve essere restituito all'ufficio di emissione, alla data della scadenza.

To dovoljenje velja samo za vozilo in nikakor ne pooblašča voznika in potnikov, da vozijo brez potrebnih voznih dovoljenj.

Na avtomobilih MORA biti pritrjeno dovoljenje v desnem spodnjem kotu začetnega stekla, če gledamo iz voznikovega sedeža. Vozniki vseh drugih vozil, ki nimajo začetnega stekla morajo imeti potrdilo pri sebi in ga predložiti na vsako zahtevo pooblaščenih oseb.

Ime in naslov lastnika dovoljenja nosi, ime in naslov osebe ali družbe, ki uporablja vozilo. Če je na primer lastnik vozila privatnik, ki da vozilo v najem zdravniku, bosta ime in naslov lastnika dovoljenja ime in naslov zdravnika in NE ime in naslov privatnika. V takih in podobnih primerih mora imeti vozač potrdilo, ki ga podpisuje lastnik dovoljenja, iz katerega je razvidno, da upravlja vozilo po nalogu lastnika dovoljenja.

V slučajih menjanja lastnine ali pa če je vozilo uničeno in neuporabljivo, postane dovoljenje neveljavno in ga mora lastnik takoj povrniti.

To dovoljenje bo izdano pod pogojem, da bodo strogo upoštevana ta navodila in mora biti vrnjeno na urad ki je izdal dovoljenje na dan zapadlosti.

- 1.- Under instruction of Economic Section HQ AMG/13 Corps the following directive and procedure for issue of vehicles Circulation Permits has been drawn up. It is requested that Area Commissioners implement the direction in their Area.
- 2.- We have a certain quantity of POL within which stocks we have to operate. To effect this, very strict screening of Circulation Permits must be carried out and essential vehicles given priority over non essential.
- 3.- To control the issue of Circulation Permits and POL Ration Cards it has been decided to place all the work in charge of the AUTOMOBILE CLUB in TRIESTE, CONIZIA and POLA under the supervision of Area HQ's AMG/13 Corps.
- 4.- To this effect the following scheme has been drawn up :
 - i.) No application form will be issued unless the applicant is holder of a "Libretto di Circolazione" showing that the vehicle has passed the annual survey by the Ispettorato Motorizzazioni.
 - ii.) Circulation Permits will only be issued to owners of vehicles and/or cars which are in perfect order.
 - iii.) All the applications for Circulation permits will be made on special form (specimen attached).
 - iv.) The forms will be obtainable from the AUTOMOBILE CLUB in TRIESTE, CONIZIA or POLA against payment of Lire 50.-
 - v.) All forms must be filled in by the applicants, clearly written, preferably handwritten, to avoid errors and misunderstanding on registration.
 - vi.) All forms will be regularly numbered and a receipt, bearing the same number as the form, will be handed over to the applicants as confirmation of its acceptance and payment of the fee of Lire 50.-
 - vii.) The AUTOMOBILE CLUB will check the contents of the applications with the "Libretto di Circolazione" and verify that the vehicle has been duly surveyed.
 - viii.) The forms thus examined and signed by the AUTOMOBILE CLUB will be handed over to the Chamber of Commerce (Ufficio Informatice), of the respective Area for sorting into categories (Commercial, Industrial, Agriculture, etc.) and sent to the Associations or Unions of the categories concerned for check of classification as to priority of importance of the applicant.
 - ix.) The Associations/Unions will record the classifications on the reverse of the form.
 - ix.) The classified applications will be returned to the Chamber of Commerce, will submit them to the Screening Commission for screening and final decision.

186

= 2 =

x.) The Screening Commission will be constituted as follows :

A President : The Provincial Supply Officer (or such other Officer as nominated by the Area Commissioner).

One representative of : The Chamber of Commerce,
The Area President,
Isvektorato Motorizatsion,
Director of Centro Autotransporti,
Each category concerned,
E.P.T.

In screening the applications, the Screening Commission will have to carefully consider the following important points in accordance with the availability of POL :

- a. = The number of the Permits to be issued in each category according to priority.
- b. = The number of new Permits that may be granted in accordance with the ration of POL for each vehicle.

A note as to whether the application is "approved" or "Disapproved" will be made on the reverse of the application form by the Screening Commission. A list of the applications "Approved" and of those "Disapproved" will be placed on the Notice Board of the AUTOMOBILE CLUB for information of applicants. The decision of the Screening Commission is final.

xi.) The applications thus passed by and with the recommendation of the Screening Commission will be returned by the Chamber of Commerce to the AUTOMOBILE CLUB for issue of the Circulation Permits.

xii.) The Circulation Permits (attached specimen) will be completed with all particulars by the AUTOMOBILE CLUB and will be forwarded for signature to the responsible Officer previously appointed for this purpose by the Area Commissioner.

xiii.) The name and rank of the Officer signing the Permits will have to be typed and underneath the signature. A rubber Stamp of the Area Commissioner will also be applied to the Permits.

xiv.) Circulation Permits may be signed by any other Officer other than the Officer appointed by the Area Commissioner.

xv.) The approved Circulation Permits, duly signed, will be issued by the AUTOMOBILE CLUB against payment of Lire 100.-

A receipt will be issued confirming the acceptance and payment of the fee.

xvi.) The AUTOMOBILE CLUB will issue the respective POL Ration Cards (specimen attached) simultaneously with the Circulation Permits.

This permit covers the vehicle only and does not absolve the driver or passenger from responsibility of possessing any necessary permits to travel.

The permit MUST be exhibited in the case of motor vehicles on the lower right hand corner of the windscreen as seen from driver's seat. In the case of all other vehicles not having a windscreen the permit will be carried by the driver and produced on lawful demand.

The name and address of the holder, on this permit will be that of the individual or concern for whose benefit the vehicle is being used e. g. even in the case of an owner driven private car hired by a doctor the name and address of the holder will be those of the doctor NOT those of the driver of the car. In that and similar cases the driver must carry a certificate signed by the holder of the permit that he is driving under the holder's orders.

In case of transfer of ownership or if the vehicle ceases to be permanently usable, the permit shall be considered null & void and the owner shall return it at once to office of issue.

This permit is issued only on condition that these instructions are fully complied with and must be returned to issuing Office on date of expiry.

Questo permesso riguarda solamente la vettura e pertanto non esime l'autista ed i passeggeri dall'obbligo di possedere i necessari permessi di viaggio.

Gli autoveicoli DEBBONO esporre il permesso all'angolo inferiore destro del parabrezza visto dal posto dell'autista. I conducenti di tutti gli altri veicoli, privi di parabrezza, debbono portare con sé al seguito il permesso ed esibirlo ad ogni richiesta fatta da persone autorizzate.

Il nome e l'indirizzo del titolare del permesso saranno quelli della persona o ente per i quali il veicolo viene usato, così nel caso di un proprietario di un veicolo privato, noleggiato da un medico, il nome e l'indirizzo del titolare del permesso saranno quelli del medico e NON quelli dell'Autista privato. In casi del genere e simili l'autista deve essere in possesso di un certificato firmato, dal titolare del permesso, dal quale risulti che egli conduce il veicolo agli ordini del titolare del permesso.

In caso di trasferimento di proprietà, di demolizione o di inutilizzazione dell'autoveicolo, il permesso è considerato nullo e il titolare dovrà restituirlo immediatamente.

Questo permesso viene rilasciato a condizione che queste istruzioni siano strettamente osservate e deve essere restituito all'ufficio di emissione, alla data della scadenza.

To dovoljenje velja samo za vozilo in nikakor ne pooblašča voznika in potnikov, da vozijo brez potrebnih vozniških dovoljenj.

Na avtomobilih MORA biti pritrjeno dovoljenje v desnem spodnjem kotu zaščitnega stekla, če gledamo iz voznikovega sedeža. Vozniki vseh drugih vozil, ki nimajo zaščitnega stekla morajo imeti potrdilo pri sebi in ga predložiti na vsako zahtevo pooblaščenih oseb.

Ime in naslov lastnika dovoljenja nosi, ime in naslov osebe ali družbe, ki uporablja vozilo. Če je na primer lastnik vozila privatnik, ki da vozilo v najem zdravniku, bosta ime in naslov lastnika dovoljenja ime in naslov zdravnika in NE ime in naslov privatnika. V takih in podobnih primerih mora imeti vozač potrdilo, ki ga podpisuje lastnik dovoljenja, iz katerega je razvidno, da upravlja vozilo po nalogu lastnika dovoljenja.

V slučajih menjanja lastništva ali pa če je vozilo uničeno in neuporabljivo, poslane dovoljenje neveljavno in ga mora lastnik takoj povrniti.

To dovoljenje bo izdano pod pogojem, da bodo strogo upoštevana ta navodila in mora biti vrnjeno na urad ki je izdal dovoljenje na dan zapadlosti.
