It has been brought to our attention that you are under the impression that we still retain control of Allied tyres recently issued to you through this office.

We assure you that this is not the case. We made a bulk issue of Allied tyres to you and in return cheque in return. These tyres are now completely under your control, you are at liberty to sell them to whom you wish and we are confident that you will allocate them to deserving cases.

E' a nostra conoscenza che voi credete che noi ancora abbiamo il controllo delle gomme alleate rilasciate a voi recentemente tramite questo Ufficio.

Vi assicuriamo che questo non è vero. Noi vi rilasciamo le gomme Alleate e riceviamo la vostra ricevuta in cambio. Queste gomme sono ora completamente sotto il vostro controllo, e siete liberi di venderle a chi volete e noi siamo sicuri che le allocherete per casi di necessità importanza.

OGGETTO:

Si certifica che la Società Trasporti F.lli Gregori, via Angona n. 3, amministra per nostro conto 70 automezzi assegnati alle nostre Stazioni di servizio e adibiti a trasporti inerenti all'alimentazione della Città.

Per necessità di collegamento, di controllo e di assistenza di detti automezzi la Società Gregori si avvale dell'autovettura Fiat 1500 Roma 82927 per la quale, a suo tempo, questa Direzione ha dato nulla osta perchè a detto automezzo fosse rilasciato dalla locale Camera di Commercio il permesso di circolazione.

E giacchè l'autovettura è montata da pneumatici di provenienza americana, che la ditta asserisce di vecchia produzione e di aver acquistato a Milano, si prega codesta Commissione Alleata perchè alla medesima venga rilasciato un documento che autorizzi a continuare ad usare i pneumatici di cui sopra è fatto cenno.

Il ns. titolare signor Aviano Gregori
nel maggio 1944 acquistò a Milano da privato, con regolare passaggio di proprietà e trasferimento di macchina da Milano a Roma, una Fiat 1500 carrozzata berlina, oggi targata Roma 82927.
La macchina, all'acquisto, era corredata da quattro copertoni Dunlop misura 6/00/16 in stato di uso non buono. Per due di esse può rilevarsi il numero di matricola, 4009190 l'altra 0575; per le altre due il numero è di difficile interpretazione dato lo stato di uso delle gomme stesse (60%).
Ad evitare fermi o richieste da parte delle Autorità Alleate od Italiane si prega voler concedere un lasciapassare o nulla-osta per poter usufruire delle gomme di cui sopra di origine straniera ma acquistate prima dell'occupazione Alleata e di importazione ante-guerra.

Come è a V. conoscenza l'uso dell'automezzo sopra indicato è necessario a questa Società per il controllo e l'assistenza agli 87 automezzi ingaggiati per i servizi alle dipendenze di Codesta Direzione Provinciale.

Nella certezza che vorrete favorirci in quanto sopra richiesto, ben distintamente Vi salutiamo.

Richiesta autorizzazione per gomme alleate

Il P. Superiore del Convento-Seminario Serafico dei
PP. Cappuccini di Velletri, proprietari della macchina Fiat 508E.
Targa 83655, motore N° 216438, telaio 216426, numero 145546,
chiede a questo Comando Alleato l'autorizzazione di poter far
uso delle seguenti coperture di convenienza Alleata: 1) Good-year
BL 923TV547, 2) BL R63E186T, 3) FIRESTONE FT 795965, 4) FW021387;
dichiara che dette coperture sono sprovviste di camere d'aria e che sono
state rinvenute, giorni o non, nel bosco del Convento sito in
Velletri: prega vivamente di voler concedere tale autorizzazione
perche il Convento, gravemente colpito dagli avvenimenti
bellici susseguenti lo sbarco di Anzio, si troverebbe nella
impossibilita di poter acquistare coperture italiane; inoltre fa
presente che le coperture di cui ora si dispone, sono in
cattivo stato. La macchina e adibita per la provvista di viveri per
la numerosa Comunita Religiosa e per il Seminario Serafico che accoglie
molti giovani aspiranti Cappuccini

Pregiozia col ossequio distintamente
