SUBJECT: Prices on salvage vehicles transferred
to the Italian Government.

TO : Ordnance Section,
Perinsular Base Section, South.
APO 782 U.S. Army.

1. Reference priced shipping tickets forwarded to cover transfer of vehicles to the Italian Government.
2. Will you please confirm that the prices entered in ink on Shipping Tickets Nos. 10207-10247 incl., 10266-10305 incl., dated for various releases during October 1945, are correct.
3. Since all original price entries made on reference tickets have been altered and radically raised, Finance wishes confirmation of new entries.
4. The main contention is that the new level of charges seems considerably in excess of original estimates given Italian Government when transfer of salvage and repairable vehicles was first proposed.
