To the attention of Mr. TAYLOR

SUBJECT: deblock of automobiles Lancia for E.M.A.C.

To put E.M.A.C. in the position to do its work with the necessary speed and maintain a prompt service with its other Offices already existing and those which are to be organized, it is requested that 3 automobiles LANCIA be deblocked in Turin (new cars from Factory Lancia and the necessary tires in Milan (Firelli)).

We would be very grateful if your S/C. would take the question over with A.M.C. in Turin and Milan, as soon as possible.

Very truly,

THE MINISTER

Ref: AC/34/23/725

13 July 1945.

My dear Doctor in Malife:

I refer to my letter AC/34/23/725 dated 10 July 1945, on the subject of transferring 40 jeeps and 70 motorcycles to the Italian State Railway. We have now received requests for jeeps and motorcycles from SHAC and from the Ministry of Public Works. The total requirements for the 3 organizations may be summarized as follows:

	Jeeps	Motorcycles
I.S.R.	40	70
SHAC	110	110
Ministry of Public Works	25	200
TOTAL	175	380

Only 200 motorcycles are available for transfer and I have been instructed by the Director to allot 70 to the I.S.R., 60 to SHAC and 70 to the Ministry of Public Works. We have in addition a 6 months stock of spare parts for the 200 motorcycles which it is proposed that you shall take over in boxes and distribute to SHAC, I.S.R. and the Ministry of Public Works.

At the present time, 30 jeeps only are available against the demand for 175. I am directed to allot 10 each to I.S.R., SHAC and the Ministry of Public Works. It is hoped that we shall be able to provide the balance required by the middle of August.

I shall be grateful if you will agree to accept delivery of the 200 motorcycles and spare parts and the 30 jeeps on behalf of I.S.R., SHAC and the Ministry of Public Works. I shall be glad, also, if you will nominate your representative who will be authorized to sign shipping tickets for all vehicles on physical handover.

Upon receipt of your agreement the vehicles will be made available for collection in Rome. One hundred (100) motorcycles and spare parts for 200 are immediately available. The remaining 100 motorcycles and the 30 jeeps will be ready for delivery about 20 July.

I suggest that your representative should contact Captain 043 of the Roads Division (tele. no. 480081, Ext. 407) to agree dates and location

of collection. We will arrange for the Ministry of Public Works to collect vehicles allotted to them after handover to your representative.

A charge will be drawn against the Italian Government for all vehicles transferred on the same basis as for the current transfer of trucks.

Very truly yours,

G. P. P. P.
