THEIR FILE N° ARAR/II/5944

13 december 1945

SUBJECT : Request for TM9-2.800 Restricted technical Military Motor
Vehicles, dated 1 September 1943.

The A.R.A.R. recently created for the reception of all the surplus war material that the Allies turn over to the Italian Government, has, amongst other items, received a lot of motor car material.

For the purpose of classifying this material it would be of great advantage to have a few copies of publication : TM9-2800 Restricted Technical Military Motor Vehicle dated 1 September 1943, in which are listed all the technical data of all the motor car equipment in strength of the Allied Armies.

If this were to be such a confidential document that you cannot put it at our disposal, could you please forward us the most important technical data regarding the types of vehicles that have been turned over to us.

L'Azienda Recupero Alienazione Residuati costituita recentemente per prendere in consegna tutto il materiale residuo di guerra che le Autorità Alleate cedono al Governo Italiano, tra l'altro ha ricevuto molte materiale automobilistico.

Per la classificazione di questo materiale riuscirebbe di grande utilità poter disporre di qualche copia della pubblicazione: T M 9 - 2.800 Restricted Technical Military Motor Vehicles - del 1 settembre 1943 nella quale sono contenute le caratteristiche tecniche di tutti i mezzi automobilistici in dotazione all'Esercito Alleato.

Qualora, dato il carattere riservato di tale pubblicazione, questa non potesse essere messa a nostra disposizione, vi saremmo molto grati se poteste inviarci i dati tecnici più importanti relativi ai tipi di veicoli che ci sono stati consegnati.
