Unclassified.

This is MOC 409.

Your WCL-24837 of 30 November refers.

Italian Government is planning to sell a portion of the 6,000 tons of newsprint in Basle to French firms in order to obtain Swiss currency credit to cover warehousing and freight charges. Balance of newsprint to be imported into Italy will satisfy paper requirements for approximately first three months of 1946. Subsequent situation of newsprint uncertain as cellulose is in short supply. Present monthly production of newsprint approximately 1,900 tons.
