SUBJECT : Sugar Releases by Federazione Italiana dei Consorzi Agrari

TO : Officer in Charge ALCOM Depots - NAPLES

A total of..... 1992 tons

SUBJECT: Stores ex "Cape Fare" at Naples

TO : High Commissioner for Food

1. Due to the fact that part of the Lard delivered on this ship is packed in cartons, which will not stand much storage and handling, it has been arranged in conjunction with your Regional Commissioner to have a quantity of 27 tons delivered to the Refrigerators in Naples.

2. This quantity is put at your disposal and it is suggested that this might be issued in Naples in place of an equivalent weight of Olive Oil.

Please therefore alter our letter of Allocation 40-21/21 dated 7 June 1945 to show 27 Tons Lard allocated Italian Govt. and 475 to Allied Commission

SUBJECT: Return to U.S. of Electrical Power GeneratingEquipment, MGS-216-ENG

TO : Headquarters Allied Commission, APO 394
(Attn: Transprtation Sub-Commission)

1. War Department, WASHINGTON, nowrequire that the parts of the 6000 K.W. steam plant shipped prior to cancellation of MGS-216-ENG be returned to the United States on a priority lower than military equipment.

2. It is desired, therefore, that Transportation Sub-Commission make the necessary arrangements to return this equipment to the United States as soon as possible.

3. It will move as military cargo and instructions are in P.B.S. Cir.#68 Section XXIX - Cargo Movements SOP-and MTOUSA Supply Directive #20 dated 9 March 1945. You will be informed of the markings desired and destination as soon as advice is received from the War Dept.

4. These supplies were called forward from U.S.A. under the markings MITE-ENG-IV-SHP-TOG-U451. For your assistance information abstracted from the manifests of two ships known to have carried supplies against this requisition is attached. This is not necessarily a complete listing and it is desired that a through check be made.

5. Mr. Di Ioro who accompanied the shipment to NAPLES and is at present attached to A.C.(Public Works & Utilities Sub-Commission) may be able to provide additional information.

6. Progress reports are requested.
