3. To clarify the position could you please telegraph or telephone and obtain the actual figures in stock at the present moment.
4. It is possible that the quantities received were in excess of those advised and for which disposal instructions have been given.
5. This opportunity is taken to again point out that in the case of the last item, if the TOG Number is 124 then the commodity must be paper for the State Tobacco Monopoly and consigned accordingly. If the material is actually "paper green matches" then the TOG Number is 99 and the material should be consigned to S.A.T.P.A. (Poggioreale) Naples.
