SUBJECT : Losses in Transit

TO : AMC, 5th Army Rear, Econ & Supply Section

1. In analyzing deliveries of foodstuffs from Leghorn ALCOM depots to AMC-5th Army during the month of December considerable losses are indicated apparently as a result of pilfered packages.

2. Investigation shows that no disciplinary measures have been possible, nor checks instituted because of the long interval between actual discovery of loss and receipt of report thereof by the shipper.

3. Is it possible to institute a system whereby such losses are reported to the Officer in Charge, Leghorn ALCOM Depots immediately after their discovery?
