SUBJECT : Barley on Hand Ancona Port Depots

TO : Food Sub-Commission

1. Confirming conversation with Food Sub-Commission today, Major Hayden/Major Klein, there is on hand in ALLIED Port Depots, Ancona, 1,024 tons of barley over and above any quantities ordered released for shipment. In calculating the quantity of 1,024 tons, the 600 tons ordered to be shipped to Venice and 250 tons ordered to be shipped to Trieste have already been deducted.

2. Since most of this barley is stored in the open, it is urged that prompt disposition advice be sent to Ancona.

SUBJECT : Allocations Italian Government

TO : Ministry of Food, Rome

1. Reference recent telephone conversation.

2. The under mentioned quantities of foodstuffs are hereby allocated to you ex Federation Warehouse, Ancona :

Soup Dehyd.	700 tons
Milk Evap.	800 "
" Powd.	150 "
Meat (or meat equivalent)	580 "
Dried Veg.	850 "
Sugar	575 "
	3655 TONS

3. These quantities, together with stocks on hand in the provinces concerned, are intended to maintain Emilia, Marche and Umbria Regions on existing ration scales for three months, except as regard Soup and Milk of which only a two months allocation has been made. It is suggested that you allocate Soup and Milk for November ex stocks already assigned to you at Naples Warehouse and arrange for them to be railed out as soon as possible. As stocks on hand at end of August have not been reported by Federconsorzi for Ancona and Perugia, the above mentioned allocation will actually be in excess of requirements for November and therefore give you a small margin to use towards December. Please arrange to dispatch the total tonnage to the appropriate CAP Warehouses immediatly.

4. Completion of transfer of above mentioned goods should be reported to this Sub-commission and Transportation S/C (Port and Warehouse Division). The necessity of a rapid clearance to make room for new extra Mediterranean arrivals is again emphasized.

Ancona,

On 4 Sept. 45 a British Officer called at the number eleven Warehouse (The Tobacco Factory) of this division and obtained the release of eighteen packages of Red Cross parcels, each packet containing twelve parcels. The Officer is recorded by the Magazziniere as "Major Miller of Palombina" and it is understood from the Magazziniere that release of the parcels was obtained only by the use of verbal authority of an unknown Captain, wrongly presumed by the Magazziniere to have been myself.

The above facts were reported to the Officer i/c Warehouse and myself at 1700 hours and after four hours of investigation, including a journey to Chiaravalle, the following information was obtained:-

1. Convoy note number 387717 was issued to vehicle number 4974958 for eighteen packages, each containing twelve parcels.

2. The vehicle concerned did not check at the RASC report centre and was not, in fact, RASC transport but owned by the Refugee Camp.

3. Major Miller informed Lieut: Palmerico and myself that he had not been to the Warehouse but has dispatched the vehicle concerned to the docks to clear broken cases direct to the Camp.

Responsibility for the discharge of the Ship was assumed by Federazione dei Consorzi Agrari through their Agents, Morenzi and Company and the parcels are stored in the FCA Warehouses, being subject to their Accounting and checking procedure, the whole being laid down and supervised by the Port & Warehouse division of Allied Commission.

The reason the vehicle reported at the Tobacco Factory is not clear but it is obvious that had it not done so then no record would have been obtained at either the Report Centre or

The Italian staff of the Federazione has been most strictly instructed in the correct method of Receipt and Issue and Issues are made only on the signed order of the Direttore. The Magazziniere allowed the issue in question only because an Allied Officer insisted and because of the vague reference to a Captain presumed to be myself.

In view of this, and other reasons, it is regretted that an accurate Out Turn cannot be given on this Ship but in order to assess the discharge will you please inform me :

1. How many vehicles have been employed in this manner.
2. Number of parcels cleared to places other than accredited Warehouses and by other than accredited Agents.
   Convoy notes, if retained, should be returned to this Office.
