Some time ago a request for Salvage material
was filed on behalf of a Salvage firm.

"LA TIRRENA" Impresa Rieparsi marittima, Livorno

The request was turned down because the material
had been allocated to the It. Govt.

Mr. Allman agrees that the same request should
be filed again.

The material is Salvage canvas, perhaps heavy.
The quantity is the same as before.

Will you please answer it?

Thank you
