TRANSLATION OF MESSAGE RECEIVED FROM MAJ. P. MORETTI
P.L.O. CIVITAVECCHIA - AT 8, A.M. 20 December 1945.

file 20 December 1945

The U.N.R.R.A. S.S. "BACON" from Genoa struck two mines at 6.30 A.M. 19/12/1945.

Civitavecchia received signal from Malta and Naples with ship's position only at 10.30 A.M. on that day.

At time of explosion vessel was about 8 miles from the port of Civitavecchia, bearing 30°.

I, in company with the Deputy Capt. of the Port immediately left Civitavecchia on board the tug "CARLO BRUNO" but owing to heavy seas, we returned to Civitavecchia at about 1.00 P.M. We left again on board the M/V "Pola" but the result of our search was negative.

It was then, in agreement with the U.N.R.R.A. representative (Mr. Regan, who was in Civitavecchia at the time), decided to request assistance from the Air Force and at 3.30 P.M. life-boats with personnel on board were sighted off Montalto di Castro. U.N.R.R.A. vehicles were immediately sent along the coast and it was possible to collect 42 persons and one body; only one member of the crew appears to be missing. The shipwrecked crew was sent to home to hospital and all are well.

The vessel is lying beached at Marina di Fescia (at 1 Km. north of Montalto) with fire on board.

As soon as weather will permit attempts will be made to save the cargo which is reported still in good condition.

Vessel had about 5000 tons cargo for discharge at Civitavecchia.

The Captain states that he struck 3 mines.
