SUBJECT: Removal of Cement Release

TO : PW. & U. Sub-Commission - Rome

Your release for 500 tons of cement issued in July
for our large warehouse job has only been partly honored.

1. A letter from the Italian Cement Factory - Selling
Office, Bari, states only 345.3 tons were released due to
shortage of production.

2. They ask for renewed release for 31.7 tons from
Modugno and 123 from Monopoli, as the time limit on the
first one has expired.

3. The new release should show this or the first one
call in and one for 345.3 tons issued.
