Subject: Automobiles for Engineers.

To : Regional Engineer Officer, Region VIII.

1. Upon receiving advice that the car used by Lt. L.J. Hodges had been taken from him in Naples, we contacted Lt. Col. Rhodes, Deputy Director at our Rear HQ., and requested that he secure the reassignment of the vehicle.

2. We are today in receipt of advice from Lt. Col. Rhodes that he has had the car in question thoroughly tested and that it was found to be in a very poor condition. The car is being left in Naples for extensive repairs therefore it will not be available in the near future.

3. An effort will be made to provide one automobile for the use of your staff but it is hoped that as your organization moves northward sufficient transport can be requisitioned by you for your use.
