1. Attached hereto is letter from the Ministry of Public Works to the Inspector General of Compartments stressing the necessity for expeditious processing of project documents for financing.

OGGETTO
Finanziamento dei lavori.

Poichè risulta imminente il passaggio della Emilia, Liguria e le Provincie di Lucca e Apuania alla giurisdizione del Governo Italiano è assolutamente necessario che i lavori in corso siano tutti regolarmente approvati e finanziati dal Governo Militare Alleato, onde evitare che nelle more del finanziamento da parte del Governo Italiano i dipendenti Uffici possano trovarsi nella impossibilità di eseguire i necessari pagamenti per la regolare condotta dei lavori.

La S.V. è invitata ad informare con la massima urgenza gli Uffici dipendenti ed impartire le necessarie istruzioni affinchè

1) tutti i progetti dei lavori in corso siano stati regolarmente presentati agli Ufficiali Regionali;

2) non appena i moduli A.C./1 siano approvati dall'Ufficiale Regionale stesso o dal Quartier Generale della Sottocommissione LL.PP. siano immediatamente compilati i modelli S.B.5 e presentati alla Intendenza di Finanza.

3) sia provveduto con la massima speditezza alla presentazione degli S.B.5 agli Ufficiali Provinciali e Regionali di Finanza, curando che siano redatti al più presto gli S.B.6 e messi a disposizioni i fondi.

5) che i finanziamenti siano esigibili con buoni e non con ordinativi, e nel caso di disposizioni di ritiro di finanziamenti non riscossi, provvedere alla loro riscossione e versamento in c/c alla Tesoreria in contabilità speciale.

MINISTRY OF PUBLIC WORKS
Direction General of Technical Services

To : Genio Civile Inspector Generals for : Emilia
Liguria
: Regional Public Works Purveyor, Florence.

Subject : Financing of works.

As we understand that the handing back to Italian Government of Emilia and Liguria Region, and of Lucca and Apuania Provinces is imminent, it is absolutely necessary that the works now underway are all regularly approved and financed by Allied Military Government, in order to prevent that, pending financing from Italian Government, the subordinate Offices may be unable to make payments necessary for proper execution of works.

You are requested to inform most urgently the subordinate Offices, and to issue necessary directions, in order that :

1) All projects relative to works underway have been regularly submitted to the Regional Officers ;

2) As soon as AC/I forms are approved by the said Regional Officer, or by Headquarters Allied Commission, Public Works and Utilities Sub-Commission, the S.B.5 forms are immediately filled and subaitted to the Intendenza di Finanza.

3) The S.B.5 forms are submitted at earliest to the Regional and Provincial Officers, seeing that S.B.6 forms are filled as soon as possible and funds made available.

4) Checks are made so that all approved AC/Is have been 100% financed, and, when financing has been only partially made, proper agreements are taken with Regional and Finance Officer in order to obtain complete financing.

5) Financings are payable with "buoni" and not "ordinativi", and, when financings not actually collected must be withdrawn, provide to collection and payment on Tesoreria's current account by special accounting.

6) The Regional Officer be constantly kept informed of obstacles and difficulties, if any.

Please acknowledge by cable.
