SUBJECT: Petroleum Estimates, Military Contractors, March.

TO : See Distribution.

WFC 12

1. In compliance with Petroleum Instructions Number 2, Headquarters AC., dated 10 August 1944 the estimates for Petroleum Products to be used by Civilian Contractors repairing Military Highways during the month of March is submitted herewith.

2. The number of vehicles being used by each contractor appears in columns 3 & 4 of the estimates. The figures 1-5-0 (for example) appearing in both the "On Gas" and "On Diesel" columns mean as follows:

a. The first figure (1) indicates the total of motorcycle and passengers cars.

b. The second figure (5) represents the total of motor trucks.

c. The last figure (0) indicates the power operated equipment, angle dozer, road rollers, air compressors etc.

d. Add all figures together for both the "On Gas" and "On Diesel" columns to get the total equipment being employed by each contractor.

SUBJECT: POL for Contractors.

Southern Region, Allied Commission, Bari Zone.

Reference your BZ/PU/2/20 dated 4 Nov. 44.

1. It is not understood why your letter was addressed to this Section which does not control internal distribution in the Provinces but merely makes bulk allocations of POL for distribution by C.I.P.
2. You do not state that the firm in question, SICELP, are employed as "contractors working on military account", i.e., contract work ordered by Allied Military Authorities, or on civilian contract work ordered by Allied Commission.
3. If the former is the case, authorization for supplies must be obtained through No. 2 District, S.T. In the latter case, the local POL Rationing Authority should be applied to.
4. C.I.P. do not release petroleum coupons as stated in your paragraph 1.

Subject: Emulsion Plants - Bari.

To : Regional Commissioner, Southern Region.
(Att: Regional Engineer)

1. On 25 August, Major Knight wrote this HQ., recommending that we take over the operation of certain emulsion plants in the Bari Area.

2. In our letter ACC/102/PWU dated 8 September to Major Knight, copy attached, he was requested to instruct the Genio Civile to arrange contracts with the owners of the plants, providing for the emulsifying of bitumen at a predetermined price.

3. Chief Engineer, 3 District, now advises that no action has been taken with reference to this matter.

4. Will you please have this problem investigated and take whatever action is necessary to conclude the arrangements.
