SUBJECT : Petroleum Estimates, Military Contractors,
November.

TO : See Distribution.

1. In compliance with Petroleum Instructions Number 2, Headquarters ACC., dated 10 August 1944 the estimates for Petroleum Products to be used by Civilian Contractors repairing Military Highways during the month of November is submitted herewith.

2. The number of vehicles being used by each contractor appears in columns 3 and 4 of the estimates. The figures 1-5-0 (for example) appearing in both the "On Gas" and "On Diesel" columns mean as follows :

a. The first figure (1) indicates the total of motor-cycles and passengers cars.

b. The second figure (5) represents the total of motor trucks:

c. The last figure (0) indicates the power operated equipment, angle dozer, road rollers, air compressors etc.

d. Add all figures together for both the "On Gas" and "On Diesel" columns to get the total equipment being employed by each contractor.
