Having certified the quantity of materials and implements ready onhand, we have ascertained to stock what is detailed on the annexed list. The said materials are the property of the German Firm, BOSWU & KNAUER A.G., for which we have done sundry works in Albenga.

We believe that the materials in question are to be considered a proper war-prey and therefore at the disposal of the Allied Forces. Be good enough to let us have your instructions to this effect.

Yours truly,
