MINISTERO DEI LAVORI PUBBLICI
Direzione Generale dei Servizi Tecnici

Le somme previste dipendono dai maggiori lavori dovuti eseguire, dagli aumenti di legge alle paghe operai e dai conseguenti aumenti dei materiali.

Pertanto la perizia può essere approvata come da relazione dell'Ispettore Grandinetti in data 17- maggio 1945, n.5735.

C O P Y

Perugia 26/4/1945

OGGETTO

Strada Provinciale Marscianese.-
Ponte N.144 sul Torrente FAENA.-

N. 1702

ALL' A.C.

P E R U G I A

Con lettera N.404 di Prot.in data 26/1/1945 fu inviata a codesta A.C. la perizia per la ricostruzione del Ponte di ml.15 luce sul Torrente FAENA.-

Tale perizia fu approvata dal R4/ENG/P/102.152 per l'importo di lire 1.600.000,= in data 3/2/1945.-

I lavori sono in corso ed è stato già gettato l'arco in calcestruzzo.-

Ora si riscontra la necessità di dover rifare i muri d'ala che sono in stato molto deterioranti, che a giudizio del Cap.LUIS dell'A.C. residente ad Orvieto è indispensabile demolire e ricostruire.-

Poiché tali lavori non sono stati previsti nella perizia innanzi citata ed approvata, si è redatta a cura dell'Ufficio Tecnico di Terni nel cui territorio ricade il Ponte la perizia suppletiva che prevede i lavori necessari per la ricostruzione dei muri d'ala già menzionati.-

L'Importo della presente perizia suppletiva vistata da questo Ufficio ascende a £ 450.000,= fra cui vi sono comprese £ 14.156,= per imprevisti.-

p. L'INGEGNERE CAPO
F.to Ing.Cordaro Gaetano
