SUBJECT : Contract for bridge (C.208270) over the Vallerlunga.
REF : 5/516/13
DATE : 4 November 1944

Attached herewith, in triplicate, form ACC/2 recommending approval of contract to Pichetti and Raposelli contractors for the reconstruction of the bridge over the Vallerlunga (C.208270) on Mil. Highway No.16; such project was submitted to you for approval on October 29th; Ref. 5/517/11, and form ACC/2 was also enclosed in order to let the contract to the contractor Savini, whose bid had been the lowest among six tenders.

The contractor Savini has now stated in writing that, he does not intend any longer to carry out such job; the attached ACC/2 has to substitute, therefore, the previous one, since Pichetti and Raposelli's bid is the best among the five other tenders.
