SUBJECT: Appointment of Military Highway
Liaison Officer.

TO : Regional Commissioner, Region V.

By Advanced AF.HQ. and A.A.I. directives we are required to appoint Liaison officers at the Headquarters of Military Districts 1, 2 and 3. It is our practice to appoint an officer of the region where the Headquarters of this district is located. After a discussion with Lt. Col. Latimer it was agreed that Major C. Boucher will be the A.C.C. representative at District No.1 Headquarters.

As District No.1 Headquarters is within your Region will you please issue the necessary orders appointing Major G. BOUCHER, P.E., 76495 as A.C.C. Liaison Officer at Headquarters of the Chief Engineer No.1 District, located at Ancona.

While most of the problems to be handled by Major Boucher would be Region V problems, there will naturally come up other problems concerning this Sub-Commission directly or other regions which he will have to attend to.

While Major Boucher will be located within Region V, he will continue to do such work as he can do for Region V in the territory surrounding Ancona.

Will you please send me a copy of your order assigning Major Boucher so that my records will be complete.

L.A. JENNY,
Lt-Colonel, C.E.,
Director.
